

John and Kristen,

Thank you so much for the experience on Sept 30th of the 'tasting' for Katie and Mike's (McQuade) wedding. I was not only impressed with the 'menu' which was just delicious but with the patience displayed by both of you in regards to managing all the details involved in this affair. Your attention to detail, your calmness and your enthusiasm is wonderful. I am thrilled you are catering the wedding - your reputation stands for itself in our community. I look forward to a wonderful and amazing dinner shared by family and friends on Katie & Mike's special day on October 24, 2009 at South Shore! *namaste,*
