John & Kristen

I don't think we can even thank you enough for everything! You are absolutely amazing people who just made this wonderful day that much more wonderful and special. Everybody raved about the food, from the meal to the late night snack, oh my god, everything was simply amazing! I am so sorry that some of my guests decided to 'christen' the hall with those annoying little candies! I was about to clean it up, however one of your staff ran after me and ripped the broom from my hands! Even your wait staff made this day so special as well, they made me and all of my guests feel like royalty. You have amazing food, amazing staff and amazing hearts! Thank you thank you thank you!

Again, Thank you thank you thank you!

Love Ya's
Sara & Adam
