

CHARLIE & JULIE'S  
WE DID IT!!  
AFTER PARTY

Dear Wildwood:

Julie and I want to express how much we appreciate all your hard work this past month and especially this past weekend. Thanks to you guys, the wedding party was a HUGE success. You guys made it fun and easy to choose a menu that was suited especially to us. Everyone at the party, especially Julie and I, loved the food and the way it was set up. The pasta station and the salad bar were AWESOME! The popcorn was a hit with both kids and adults. The coffee and baileys was well received as seen by the finishing of all the baileys.

Thanks to the bartenders, especially Terry who was very helpful and friendly to all the guests. And a special thanks to John and Kristen for all your help with EVERYTHING. John, the food was great and thanks for helping with the lighting(you went above and beyond!). Also, your commitment to your business was shown by phoning us on your vacation from St. Lucia. And thanks to Kristen, for her patience with all my e-mails and organizing on the Saturday.

So, once again thank you all so much from Julie and I. It really was an unforgettable night.
